

SMOKING

Smoking in any McDaniel College building is not permitted at any time, including the apartments. There are outdoor butt receptacles located throughout the campus.

ALCOHOL

Alcohol is permitted on campus, but must be kept inside the apartments, except during a sanctioned activity elsewhere on campus (such as our social prior to the banquet or the cookout). Beer must be in single-serving containers such as bottle or cans; no kegs are allowed. Students who abuse the use of alcohol or display inappropriate behavior as a result of alcohol abuse, may be asked to leave the College.
